AN ART contest for 7th and 8th grade pupils in Mokena schools was sponsored again this year by the Mokena Woman's Club. Craig Backhus (left) of Willowcrest School won first prize, with the picture shown upper left. The other youth in the picture is Ray DeVito, also of Willowcrest, whose painting (extreme lower right) received honorable mention. Anne Vilutis and Mary Loftus, both of Frankfort and both pupils at St. Mary School, were not available when the picture was taken. The Vilutis girl had three entries. The middle one in the top row took 2d prize and the middle one in the bottom was 4th. She also received honorable mention for the painting at the upper extreme right. The Loftus girl took third prize with her entrant at the left of the bottom row. The judges were Mrs. Gordon Richards and Mrs. Corrine Smith, Mokena, and James Pitcairn, art instructor at Lincoln-Way High School. The art work is on display in the Mokena public library. ## 'Summer Olympic' Plans At L-W Are Off To Good Start

The Summer Olympics -- as the track and field program planned for vacation time at Lincoln-Way High School is called -- is off to a good start, thanks to the business men of Frankfort who have donated \$500 toward the expenses of the operation.

Joe Rodriguez, track coach at Lincoln-Way, who conceived the idea of a summer program in which girls as well as boys can compete in track and field events, estimates that it will cost around \$2,000 for equipment and uniforms.

Now if the other three

communities in the Lincoln-Way district will match the contribution from Manhattan the project will be assured.

It is reported that the New Lenox Lions have \$200 available for the program and that there is a \$100 donation ready at Frankfort.

Last spring the Lincoln-Way track team showed considerable improvement and its cross country team, which mopped up the meets in the conference and district finished third in the state, which was quite an accomplishment for a new coach in his first year.

Last fall Rodriguez organ-

ized the Polar Bear Club of which approximately 80 boys and girls at Lincoln-Way are members. They ran all fall, all winter and are still still running, regardless of the weather and whether the footing be dry, wet or frozen.

About twice a month, on Saturday, Rodriguez transported some of his charges to the University of Chicago field house where they competed against college talent.

There is no provision in organized high school sports for competition for girls in field and track events so Rodriguez plans to supplement his winter program with meets during vacation in which the girls can participate as well as the boys.

His plans cover track and field events--races of various distance, relays, shot-put, pole vault, high and broad jumps, and a hop-skip-and-a-jump as found in the Olympics--so arranged that kids from six to 20 years of age can compete. It will be a great program for development of physical fitness, it was pointed out.

## Mokenans Have Chance To Meet Their Candidates

They came to look, listen and complain.

About 60 Mokena residents turned out for the "Meet Your Candidate" program sponsored by the Chamber of Commerce at Willowcrest School last Thursday night.

They looked and listened while the candidates spoke and became vocal when Chamber president James Cooper, who presided, invited questions from the audience.

The three candidates for mayor were on hand, Will Tuttle, Delbert Drackley and Thomas A. Deeb, as was Alvin Sorensen, veteran village clerk who is unopposed for re-election, and two of the candidates for the three places open on the village board, Chester Ebert and Martin Thompson. Two others, Lyman Teague and Kenneth Warning, who are on the slate with Tuttle and Ebert, were working out of town.

Thumbnail biographical sketches of Tuttle, Ebert, Teague and Warning, and Sorensen, were published when they filed but data was lacking on the other three at that time.

Drackley, who is seeking election as village president, is the Mokena station agent for the Rock Island Lines. He is 29 years old and has been in the employ of the Rock Island for 11 years, two of them at Mokena. He resides at 11037 McGovney St. with his wife Marily, a 5-year-old son, Jimmy, and a 2-year-old daughter, Debbie.

He told the audience Thursday night that if elected he would keep the public informed as to the aims and objectives of the village government and how the money was being spent, where it was and where it was going. He would be for those improvements that would benefit the village as a whole -- as revenues would permit. Mokena was ideally located from a transportation standpoint -- highways and rail-way -- he pointed out and he would do his utmost to attract light industry, and to expand the boundaries of the village. He also pledged to give proper consideration to complaints.

Deeb and Tuttle also said they would work to expand the village and attract industry.

Tuttle, who has served as

a village trustee, said that he had experienced one-man rule and that the reason for the slate of himself, Ebert, Teague and Warning was to form a team that could and would work together. Their plans call for street improvements, storm sewers and formation of a sanitary district to serve the entire area.

Deeb, who resides at 11046 Third St., with his wife, Pat, and their two children, is employed at the Argonne National Laboratory as a systems analyst in the administrative data processing department. His duties include writing computer programs involving management problems. He has been a resident of Mokena for almost seven years, is a member of St. Mary church, the Mokena Plan Commission, and chairman of the program committee of the Lions club.

He has a five-point program, he told the audience. He would form a board where people with complaints could file them, signed and in writing. They would be turned over to the proper agency and the disposition recorded. He would seek federal and state aid for storm sewers. He would publicize the agenda of board meetings in advance. He would embark on a street paving program, doing a bit of it each year, and would prepare for industry by setting up controls to guide its growth.

Ebert, who has lived 40 years in the area and 11 in the village, said he wanted to keep Mokena a safe place to raise children; that he was for orderly and proper growth; that he as a businessman believed that businessmen should serve their local governments and he believed that he can contribute something to Mokena.

Martin Thompson, 11045 Revere Rd., has been a resident of Mokena for the past 10 months, he said. He is with the Sherwin-Williams Co. He said he believed that a newcomer could provide a fresh approach to community problems. He said he thought taxes here were too high, when compared with other places in the Chicago area. One of his pet peeves is lack of drainage. He said that flooding of his basement has cost him \$700.

Alvin Sorensen, who has

served the village as clerk for 24 years, said that if the new board approves, plans have been made to have the clerk's office open at the village hall approximately 25 hours a week for the convenience of residents. A deputy clerk would be on duty, as Mr. Sorensen is employed as office manager for General Electric at Chicago.

The question and answer session covered a wide field -- mostly complaints, with even the location of the proposed new international airport for Chicago coming in for debate.

George Bohn, a former Chicago policeman and truck driver, said he was tired of drawing diagrams for people to come to his home because there was no street signs at 3d and Wolf. He said he first complained about the situation 10 months ago. (It was reported one was put up there last Thursday.)

Dr. Ernest G. McMahan, said no one in authority seems to care whether jobs get done. He has been trying for years, he said, to get a drainage problem straightened out. "If they would just take a little hump off the street in front of my home the water could get away."

Mrs. Fred Steinhagen's question as to what was going to be done about the police department drew comments from all the mayoralty candidates. Tuttle said Roy Newton should have been retained as chief and if elected he and his board were going to look into the business very carefully. Drackley said he had some ideas as to how to improve the department that he would advance if elected and Deeb if for a full time police chief and in time a full time police department when revenue is sufficient. Someone wanted police to gather up dogs and cats while on patrol. Ebert said the people have been spoiled by the service given by Former Chief Newton, who resigned.

Someone suggested that an alert system be installed to give warning of approaching tornadoes.

The airport theme was abandoned after someone pointed out that the Mokena or other neighboring village boards would have little if any voice in selection of the site.

**VALENTINES FOR** a special kind of sweetheart was the order of the day at the mother-house of the Franciscan Sisters of the Sacred Heart at Mokena on Feb. 12. The valentine party for the senior sisters was a gala affair and wheel chairs, walkers and canes were no obstacles to merriment as the Senior Sisters — ranging in age from 75 to 95 — played bingo, sang German songs and viewed three German films. Many of them are German born. There was a special valentine treat of tarts that were served with the coffee.

# Register Saturday For Coming Baseball Season

**Mrs. Edward Hovi**  
Telephone 479-5740

There will be registration of the boys interested in participating in the baseball program. It will be held at the Arbury Hills School on Saturday, March 8, from 9:00 a.m. until 1:00 p.m.

In order to be eligible to participate in the program a boy must reside within the Summit Hill School District, and be between the ages of eight by Aug. 1, and not have reached the age of fifteen by Aug. 1. He must also register with his parents consent and pay a registration fee of \$4 per person payable no later than March 15.

The \$4 registration fee includes use of the uniforms and equipment as well as insurance coverage for the baseball season for all baseball accidents.

The annual baseball fund raising dance will be held at the VFW Hall in Mokena on Saturday evening, April 12. Mark the date on your calendar. More information will be forthcoming.

The Arbury Hill Boy Scout Troop Number 10 held their annual Court of Honors at the school last Wednesday evening.

The boys were presented with their badges and ranks earned during the past year.

There were seven boys awarded the rank of Tenderfoot. They are: Jack Peratano, Dan McGowan, Bruce Pegram, Carl Savage, Larry Sandy, Scott Sandy, Jim Sipin.

There were six boys who received the rank of Second Class. They are: Jim Froehlich, Billy Mangan, Frank Perritano, Randy Allen, Mike Hovi, and Leslie Lillvik.

There were two boys awarded the rank of First Class. These boys were: Joe Mangan and Edward Hovi.

One boy also made the rank of Life Scout, which is one rank below Eagle Scout, the top rank in Boy Scouting. The boy who made Life Scout was Russ Dickerson. Russ is a home grown boy. He originated his Scouting experience with Cub Scout right here in Arbury Hills and has come up through the ranks.

The highlight of the evening was the awarding of the rank of Eagle Scout to Steve Thompson. It was awarded with the deserving amount of ceremony due the work involved in earning the rank.

Mr. Joe Arcuri, the scoutmaster, also informed the parents that the troop participated in the Golden Nuggett Derby at Camp Morris over the previous weekend. The boys made their own sleds from a motley collection of material collected.

The patrol consisting of all Tenderfoot Scouts came in third in their class and were presented with the appropriate ribbon.

Another patrol of older boys were in a tie for first place, when one of the boys noticed that one of the lashings on the sled had not been properly made. The boys told the inspector of this after they had been passed and had four points deducted from their score. This caused them to lose first place, but endeared them to all as the best show of the meaning of Boy Scouting. Their honesty was the best trophy of all.

Not to be outdone by her friend Lana, Jill Ray and her husband John of 19408 Beechnut also became parents of a boy, Scott Michael who was a husky eight pounds and one-half ounces at birth. He also was born at the Hazelcrest Hospital on February 10. My, what a busy day!

The Ray Family also has one other boy, Danny who is eight and a girl Tammy who is four. That makes three apiece for Jill and Lana.

The Summit Hill Parent-Teacher Group held their February meeting at the school. At that time a copy of the proposed changes in the by-laws were passed out. The proposed changes will be voted upon at the March meeting.

The Cadettes of Troop Number 336 were treated to a talk by Mrs. Marry Ann Tekotte the owner of The Belvidere Room Beauty Parlor. She discussed the necessity of good grooming in the growing girl. She

stressed the need for complete cleanliness.

The school board election is to be held on Saturday, April 12. The first day for filing petitions to run for one of the two openings was Feb. 26. The final date for filing is March 22.

If you will need an absentee ballot, they may be obtained by mail until April 7 and may be obtained in person until April 9. The absentee ballots must be returned no later than April 12, election day.

There have been meetings of representatives and the superintendents of the four near-by public schools; Mokena; Frankfort; Ann Rutledge and Arbury Hills to coordinate various aspects of the schools involved.

The attendance at school has been very bad. The staff realized that the winter months seem to breed many illness, but the parents should be forced to realize that Junior should come back to school as soon as he is well and not stay home any longer than is necessary. It is also not advisable to keep Susie home to watch the little ones when mom wants to go out.

The tax monies for the school amounts to approximately \$50,000 per year. The possible state funds obtainable for student aid is in the neighborhood of \$130,000.00 per year.

Please understand that this student aid from the state of Illinois is paid on student attendance not student enrollment. If Junior stays home a few extra days or Susie plays baby-sitter, it costs the school money in lost revenue from the state.

Tom and Lana Mortensen on Walnut Street were presented with their first son on Feb. 10 at the Hazelcrest Hospital. Master Michael Roy Mortensen weighed in at six pounds and fifteen ounces.

He took the journey home a few days later with Mama to be greeted by his two big sisters, Pamela who is five and Donna who is three. Congratulations, all!

Both proposals were carried in all the election districts but Manhattan. It was 116 against and 100 for the bonds there and 104 for the tax increase and 110 against it. Manhattan voters usually are in opposition to proposals submitted by Lincoln-Way High School. Some of the people there felt they were dragged into the district when it was organized, it is said, and some of them are still resentful.

# Dependency Sometimes Is A Tax Perplexity

*Editor's note: It is time to think about the income tax again. This is another of a series reviewing the regulations, with emphasis on taking advantage of all exclusions and deductions legally due you.*

by Ray De Crane

Most people are aware of the added \$600 exemption credit they receive when they turn 65 and another exemption credit allowed for blindness and of the \$600 credit for each dependent.

But it seems there is at least one special case in

every family that raises serious questions and often-times results in later questioning by Internal Revenue. Here are typical special situations:

A dependent daughter was married in the latter part of 1968. Can she be claimed as a dependent by her parents who supported her for perhaps 11 months of the year?

A son or daughter graduated in June and started to work. Can the parents claim the graduate as a dependent since they paid total support for the first six months and partial support thereafter?

ter?

What about an elderly parent who lives in your home and receives Social Security? Can the parent be classified as a dependent?

What happens when a dependent dies during the year? May he be claimed on your return? And what effect does the birth of a baby toward the end of the year have on your return?

The last question is the simplest. In the event of death the status at the time of death determines. If at death the party was a dependent of yours, you get the full year's credit.

A baby born any time during

the year entitles the parents to a full year's dependency credit.

The daughter who married in the last part of 1968 is entitled to file a joint return with her new husband. If they file a joint return or if she is listed as an exemption on her husband's return you are out of luck.

But if the new son-in-law files a separate return and does not list his wife as an exemption you can claim her as a dependent on your return if she meets the qualifications of a dependent.

The chief stumbling blocks to claiming dependents are the requirements that you furnish the chief support (more than 50 per cent) and that the claimed dependent have less than \$600 gross income.

While the income limitations is waived for your children under 19 and those older if they were a full-time student for at least some part of each of five months during 1968, the chief support requirement remains.

That explanation invariably produces this immediate question: "Just how much can my student son or daughter safely earn and still permit me to claim him as a dependent?"

There is no uniform answer. The important thing that must be determined is the cost of total support for the child in 1968.

Having established that, it is relatively easy to determine whose funds supplied more than half of that

total support.

The same reasoning is followed on the question of claiming a parent for a dependent. Only in this case

there are no exceptions to the limitation of less than \$600 gross income.

NEXT: sick pay.

Dear friends,

Under the complexities of our modern civilization, the funeral director has had to become familiar with life insurance, Social Security, government burial allowances, taxes, death certificates, burial permits, cemetery regulations, and many legal matters.

We willingly counsel with bereaved families who are not familiar with these problems.

## WHEN WILL AMERICA LAND A MAN ON THE MOON?

### WIN A 2-Week Trip For Two Anywhere On Earth!

What To Do: Fill out the coupon (or use a postal card facsimile) to guess the year, month, day, hour, minute and the second that the first American Astronaut steps onto the surface of the moon.

### Rules

1. Any man, woman or child residing in the United States and District of Columbia is eligible to submit any entry, except for employees of Gannett newspapers, radio or television stations and their families.
2. Deadline for entries is May 1, 1969.
3. Entries must contain year, month, day, hour, minute and second to be eligible. Official time will be that registered by NASA as the time the first astronaut steps onto the surface of the moon. If the astronauts do not leave the lunar module, the time will be the instant the lunar module landed on the moon's surface.
4. Entries must be sent to Moon Contest, Graphic Newspapers, 200 Main Street, Lemont, Ill. 60439. All entries will be judged at Cape Kennedy.
5. The winning entry will be that with the exact Cape Kennedy Time (Eastern Standard Time) or closest to it. In case of ties, the entry received earliest will be judged the winner.
6. The first prize winner and one other person of his choice will be given an expense paid vacation for two weeks anywhere on earth he selects. The prize will include transportation to and from the point selected, living accommodations, meals, specified entertainment and sightseeing trips in the immediate location. The winner must complete his trip within one year from the date of notification.
7. Plus - Valuable local prizes. Set of World Book Encyclopedia. Five World Book Encyclopedia 1969 Year Books.
8. The decision of the judges will be final.

### COOK COUNTY PERSONAL PROPERTY ASSESSMENT FOR 1968

This publication is the official notice to property owners, of the 1968 Personal Property assessments made in the town and district indicated.

#### RETURNS AND ESTIMATES

The law provides that, where a property owner fails to return a sworn schedule listing his property the Assessor of Cook County must estimate its value according to his best judgment and information, and add thereto a penalty of 50 per cent. Assessments raised on estimates and returns have equal standing on law.

The amounts herein listed are the assessed values of personal property as of April 1, 1968, as determined by the Assessor of Cook County.

The amount listed as the assessed value is not the tax. The tax may be determined by multiplying the assessed valuation after it has been equalized by the Department of Revenue of the State of Illinois, by the tax rate in the Town and District in which the property is assessed. The Assessor has nothing to do with the equalization of values or the establishing of tax rates.

#### BASIS OF COMPLAINT ON ASSESSMENTS

Where a property owner has a specific claim of over or under valuation, complaint may be filed with the Board of Appeals in the County Building immediately after this notice.

#### INFORMATION ON ASSESSMENTS

Each property owner who has any questions in regard to the same, should inquire at the office of the Assessor of Cook County, Room 312, County Building, information will be furnished without cost.

P. J. Culbertson  
Assessor of Cook County

#### Notice Of Special School Election Community Consolidated School District Number 56-C Will County, Illinois

Notice is hereby given that on Saturday, April 12, 1969, an election will be held in Community Consolidated School District Number 56-C, Will County, Illinois, for the purpose of submitting to the legal voters of said School District the following proposition:

"Shall the maximum annual tax rate for the educational fund of Community Consolidated School District Number 56-C, Will County, Illinois, be established at 1.53 per cent on full, fair cash value of taxable property as equalized or assessed by the Department of Revenue instead of 1.32 per cent, the maximum rate otherwise applicable to the next taxes to be extended for said purpose?"

It is estimated that the maximum amount of taxes extendible under the maximum rate now in force is \$35,308.94 and the approximate amount of taxes extendible under the proposed increased rate will be \$40,926.27, such amounts being computed upon the last known full, fair cash value.

For the purpose of this election the corporate limits of said School District shall constitute the boundaries of a single election precinct and the polling place established for said election is:

Ann Rutledge School, 80th Avenue, Lincoln Estates, Frankfort, Illinois.

The polls will be opened at 12:00 o'clock noon and closed at 7:00 o'clock p.m. of the same day.

By order of the Board of Education of Community Consolidated School District Number 56-C, Will County, Illinois.

Dated this 12th day of February, 1969.

## Has Close Call In Vietnam

Writing about war while surrounded by maps, books, and research notes is one thing but writing about war while spang in the middle of one, is something else.

That is the way SP/5 William Sluis Jr., 25, of Mokena, is writing about the Vietnam War--the hard way. He is with the 20th Public Information Detachment, 3d Brig., 25th Inf. Div., based at Dau Tieng.

A part of his job puts him where the action is and he has found himself in some sticky spots on occasion, for instance, like about 10 days ago. He and a few companions had a narrow escape. They were pinned down in the house on a rubber plantation by a Viet Cong machine gun team. The VC were outside shooting in and the guys inside couldn't do much about it because they were out of ammunition.

The Americans were held there about five hours. One can only theorize that the VC didn't come in the house because they figured the besieged were waiting for them to do just that and would wipe them out.

Finally some Americans came along that had plenty of ammunition and they proceeded to liquidate the Viet Cong and liberate their countrymen.

SP/5 Sluis, now 25, was graduated from Lincoln-Way High School in 1961. While there he covered sports for the school and his stories appeared in the Graphic Newspapers. He attended the Medill school of journalism at Northwestern University on a Col. Robert McCormick scholarship, graduating in 1965. The scholarship was renewed then and he obtained his master's degree in 1966.

Sluis was working as a reporter for the Chicago Heights Star when he entered

ered and spread at the discretion of the Highway Commissioner. The Highway Commissioner reserves the right to weigh any or all loads of stone. The Highway Commissioner reserves the right to reject any and all bids.

the army in 1967.

His brother Bernard (Ben-ny), 22, now home and discharged from the service, also served in Vietnam with the 1st Marine Division. He went over in 1966 and put in 14 months there. Another brother, Joost, 28, has served eight years with the navy and has prepared himself for a career as a lawyer

when he is discharged.

William is due to leave Vietnam the latter part of March. He is writing for the "Tropic Lightning News," and the Vietnam edition of "The Stars and Stripes."

His parents reside on 192d Av., Mokena. A sister, Mrs. John Weber, also resides there.

MORRIS SAPER

LEN SAPER

## A MESSAGE FROM MORRIS and LEN SAPER

During the month of March ... you're invited to help Celebrate Our Anniversary. The Anniversary you made possible through your loyalty and patronage over the past 25 years. This month we are trying to express our thanks in two ways. First we'd like to have you come in and register for one of the Door Prizes we are giving away. Nothing to buy ... just stop in and register.

Second, we're featuring Anniversary Sale Prices on the beautiful 1969 Chryslers and Plymouths. We have more models all serviced and ready to go than at any other time in our history. All are at the lowest price of the year for our Anniversary Sale.

So stop in this month. Let us thank you in person for the organization you created.

## Distribute Awards In L-W Chapter FFA

Election of Greenhand officers and the distribution of awards were highlights of the recent meeting of the Lincoln-Way Chapter of Future Farmers of America held at the school.

The Greenhand officers are chosen from the first year member. Elected were Paul Schmaedeke, Frankfort, president; Dave Weitendorf, New Lenox, vice president; Gary Schroeder, Manhattan, secretary; John Been, New Lenox, treasurer; Steve Martin, New Lenox, reporter, and Tom Oleson, New Lenox, sentinel.

The awards given out went to FFA members who had outstanding projects. The two Sectional Eight winners were Christine Schaefer, Frankfort, for her project with horse, and Sue Schutte, New Lenox, for home beautification.

Third year agriculture award went to Dennis Schoelling, Section Eight treasurer; second year award went to Lyle Tewes, Chapter president, and first year award went to Dan Brookman.

Record book awards: Beef and soybean, John Langland, Chapter sentinel; Dairy and corn, Lyle Tewes; crop specialty, Gary Ebert, Frankfort; livestock farming and swine awards went to Fred Handorf; sheep and poultry, Jim Bartley, Mokena, reporter; livestock specialty award, Christine Schaefer; Chapter star farmer and small grains award went to Dan Brookman, Manhattan; home beautification and horticulture awards went to Sue Schutte; agriculture electrification and mechanics awards went to Charles Hammerstein, New Lenox.

AREA RESIDENTS will have the opportunity to personally greet Miss America 1969 Saturday when she appears as a guest of Jim Graham Oldsmobile, 1520 W. Jefferson Street in Joliet, between 3 and 5 p.m. and 7 and 9 p.m. She is Judith Anne Ford, a native of Belvidere, Ill. The emerald-eyed blond's many pursuits include gymnastics and trampoline as well as outstanding academic achievement. She is currently on a 200,000-mile tour of the United States.

## Silver Cross Training Surgical Technicians

The third course for training surgical technicians was started at Silver Cross Hospital Monday, March 3, and runs for nine months.

The program covers classroom theory and clinical experience in the practices of the operating room, delivery room and emergency room.

There is no tuition fee and those taking the training receive a stipend.

Further information may be obtained from Mrs. Naomi Corsini, director of Inservice Education, by calling 727-1711, Ext. 765, between 8 a.m. and 4:30 p.m., Monday thru Friday.
